Saint Motel

Find the meaning of life, and kill it.
Grab the Holy Grail, and spill it.
Everyone just needs a little fun.

Give your heart to me, then take it.
Set your word in stone, then break it.
Everyone just wants a little ass.

Have you waited for me?
Have you waited for me?
I don't wanna hear your stories.
I don't believe your-

Stories, missing, they're missing.
Stories, missing, they're missing me.

Change the tone of your voice.
I'll hang this phone up, it's your choice.
Everyone just needs to hug it out.

I'll hunt you down and catch you cheating.
Slit my wrists and laugh while bleeding.
Everyone just needs to get along.

Have you waited for me?
Have you waited for me?
I don't wanna hear your stories.
I don't believe your-

Stories, missing, they're missing.
Stories, missing, they're missing me.

I've been a waiting for you.
I've been a waiting for you.
I've been a waiting for you.
I can see, right through you.

Have you waited for me?
Have you waited for me?
Your husband told me,
All about your -

Stories, missing, they're missing.
Stories, missing, they're missing me.
Stories, missing, they're missing.
Stories, miss, miss, miss, miss, miss, miss me.
