

Gone by Morning

Saint Raymond

Back it up slowly
Are you coming around again?
You know that I'm lonely
But baby I don't need a friend

I stopped thinking about the same old mistakes
The time that it takes for us to work it out
I can't stop thinking about the way that we touch
It's never too much for us to have enough

It's the same old story
You don't need to write it for me
I know you'll be gone by morning
Always ends in death or glory
Never learn our lesson
Call it the devil's blessing
Yeah you say you're yearning for me
But I know you'll be gone by morning

Maybe it's alright
Baby we could play pretend
Keep me up all night
Don't worry I won't tell your friends

Let's stop caring about the same old mistakes
The time that it takes for us to work it out
I know you're thinking about the way that we touch
Is never too much for us to have enough

It's the same old story
You don't need to write it for me
I know you'll be gone by morning
Always ends in death or glory
Never learn our lesson
Call it the devil's blessing
Yeah you say you're yearning for me
But I know you'll be gone by morning

Pick it up, fall apart
It's all we've known from the start
Pick it up, fall apart
My lover, my lover
Pick it up, fall apart
It's all we've known from the start
Pick it up, fall apart
My lover, my lover

It's the same old story
You don't need to write it for me
I know you'll be gone by morning
Always ends in death or glory
Never learn our lesson
Call it the devil's blessing
Yeah you say you're yearning for me
But I know you'll be gone by morning

It's the same old story

You'll be gone by morning
You'll be gone by, you'll be gone by
