

Last Time

Saint Raymond

Find it hard to talk to you
When you don't wanna hear the truth
See I'm lost and I'm confused
Won't you tell me what to do
'Cause I've been going out my mind
Trying to find a place shine
But the light it only blinds
And I'm trying to work out why

Every time I hear your voice
I get mixed feelings
Should I stick around even if
But I already know I'm leaving
Another early call I've missed
Pretending I was sleeping
'Cause I didn't want to tell you this
I'm not ready to believe it

I don't know why
This is gonna be the last time
Gonna be the last time
And I don't know why
This is gonna be the last night
Gonna be the last night
And I don't know why

You see my heart got in the way
But it didn't tell me what to say
It just turned and walked away
And left the ghost of us to play

Every time I hear your voice
I get mixed feelings
Should I stick around even if
But I already know I'm leaving
Another early call I've missed
Pretending I was sleeping
'Cause I didn't want to tell you this
I'm not ready to believe it

I don't know why
This is gonna be the last time
Gonna be the last time
And I don't know why
This is gonna be the last night
Gonna be the last night
And I don't know why

Maybe all we need is time
And maybe all we need is time
And maybe all we need is time
Was it ever on our side?

I don't know why
This is gonna be the last time
Gonna be the last time
And I don't know why

This is gonna be the last night
Gonna be the last night
And I don't know why
