

Damien & Bob

Salem Al Fakir

Damien & Bob
Sat on a train to Never-ever-Land.
They began to sob
'Cause they forgot their friend Chuck the Elephant.

Damien & Bob
Looked out the window, remembered who they are.
No clouds, no fog.
Clear skies, sun shines, it's wunderbar.

Damien & Bob
Left the train in a hurry, met a moose named Sherry
Was a one-eyed movie star.
Couldn't walk straight,
Always played loud music in his car.
