

## Part Of It

Salem Al Fakir

Small boxes and squarish lives, ooh  
I dare you to take a step outside  
Get on up - get on up, the train is going that way  
Skewed faces and scary eyes, ooh  
I dare you to take a step outside  
So afraid - so afraid of opposite direction  
How does it feel when you beat your wife, ooh  
I dare you to take a step outside  
Tell your friends - tell your friends how big your little dick  
is

Don't wanna be a part of it

Small boxes and squarish lives, ooh  
I dare you to take a step outside  
Get on up - get on up the train is going that way

Don't wanna be a part of it
