

Purple Lady

Salem Al Fakir

Sweet purple lady
Neither woman or child
Two pretty sad eyes
And a made-up red clown smile

Sweet purple lady
Arms up, feet down
Spinning round and round
Trying to walk the line
With yellow line

Sweet purple lady
I'm on my way
Please come out and play
Still hiding in them secret places
Sweet purple lady
It's time for me to go
But I wanna play some more
Can I stay until tomorrow?
Ooo, ooh
