

Red Rock

Salem Al Fakir

Red rock calling
Cops shop coffee in the evening
People running
Up and down 7th Avenue
Heroes, low life grinders
Everyone's invited
Red rock calling
The first snow Is falling

Angels singing
Silence is music
Daylight sunset
Darkness you show me and I show you
Radio 22
High heels, 55 dollars
Red rock calling
The first snow is falling

I said the first snow is falling

Say no, beat It
Ninjas fighting in the corner
Uppercut super fly
Back flip, Miki He or Miki Wo?
Fashion, glamour
Same old different? I doubt it
Red rock calling
The first snow is falling

I said the first snow is falling
