

Tell Me

Salem Al Fakir

Ohohhhoooh
Oh baby tell me tell me
tell me tell me tell me...

Why can't you be kind enough,
and tell me?
I need your sweet love.
When did I do something wrong?
Just tell me that cause I need to know.

Why did the sun stop shining?
Why did the fire stop burning?
Why did the sun stop shining?
Why did the fire stop burning?

When are you satisfied?
When I'm standing on my knees?
Help me up you just standing there.
Ain't give the answer for me.

You are the only one who knows it.
Knows it.
To bad you stole this under froze it.
Froze it.
You are the only one who knows it.
Knows it.
To bad you stole this under froze it.

That's why the sun stop shining.
That's why the fire stop burning.
That's why the sun stop shining.
That's why the fire stop burning.
