

# Virgin Mary

Salem Al Fakir

She was tuff  
She was sweet  
Beautiful as one could be  
She did it all with style and grace

She was hard  
Hard to get  
But with my heart already set  
She was the light to guide me home...

Home is the place I thought I'd found  
It wasn't it, no solid ground  
Didn't wanna be around when it all fell down  
So lucky I got out in time

I was her king  
She was my queen  
Virgin Mary and Charlie Sheen  
We were truly meant to be

We fell in love  
But love is blind  
And lovers take what lovers find  
It was too good, too good to be true  
The light was far away from home...

She was tuff  
She was sweet  
Beautiful as one could be
