Japanese Farewell Song

Sam Cooke

The time has come for us to say sayonara my heart will always be yours for eternity I knew some time we'd have to say sayonara please promise that you'll be returning someday to me

- I'll remember our romance until the day that I die
 I'll see your face in the moon and stars in the sky
 so, hold me close before you say sayonara
 and promise that you'll always keep me near to your heart
- I'll remember our romance until the day that I die
 I'll see your face in the moon and stars in the sky
 so, hold me close before you say sayonara
 and promise that you'll always keep me near to your heart
 always keep me near to your heart
