Little girl
You're the one girl for me
Little girl
You're as sweet as can be

Just a glance at you meant Love from the start And oh, what a thrill came Into my heart

Little girl
With your cute little ways
I am yours
For the rest of my days

And this great big world
Will be divine
Little girl
When you are mine, oh mine, yeah

And this great big world Will be divine Little girl When you're mine, oh mine
