

Mean Old World

Sam Cooke

This is a mean old world to live in all by yourself
This is a mean old world to live in all by yourself
This is a mean world to be alone without someone to call your own

This is a mean old world to try and live in all by yourself

I wish I had someone, someone who'd love me true
I wish I had someone, someone who loved me true
If I had someone who loved me true then I know I wouldn't be so blue

This is a mean old world to try and live in all by yourself

No, this is a mean old world to live in all by, by, by, by all by yourself

Mean old world to try and live in all by, by, by, by, by, by, by, by yourself

This is a mean world to be alone without someone to call your own

No, mean world to try and live in all by, by, by, by, by yourself

Sometimes I find myself dreamin' I found a love

Sometimes I find myself dreamin' I found a love

Sometimes I dream I've really found a love

Someone who loved me true as the stars above

For this is a mean old world to try and live in, all by yourself
