

# Meet Me at Mary's Place

Sam Cooke

A friend of mine told me one early mornin'  
(Over at Mary's place, ho)  
Said tonight there's gonna be a party goin' on  
(Over at Mary's place, ho)  
He said: „If you can enjoy a real nice affair  
(Over at Mary's place, ho)  
Then you'll make it your business to be right there“  
(Over at Mary's place, ho)

He said in fact: „Meet me  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)  
Why don't you  
(Meet me at Mary's place)  
Why don't you meet me  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)  
Why don't you“  
(Meet me at Mary's place, ho)

He said: „There's one thing I that want you to know  
(Over at Mary's place, ho)  
You're gonna have a good time before you go“  
(Over at Mary's place, ho)  
He said: „There's one more thing that I'm gonna guarantee  
(Over at Mary's place, ho)  
Got to have fun if you're a man like me“  
(Over at Mary's place, ho)

If you wanna have fun, meet me  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)  
Why don't you  
(Meet me at Mary's place)  
Oh meet me  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)  
Why don't you  
(Meet me at Mary's place, ho)

If you wanna have a good time  
(meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)  
Come on and  
(Meet me at Mary's place)  
Oh, meet me  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)  
Come on and  
(Meet me at Mary's place, ho)
