

# One More Time

Sam Cooke

I'm so lonely tonight

if I could only hold you once more  
if I could only kiss you once more  
if I could only see you one more time, one more time

things wouldn't be the way they are now  
I'd make you see I loved you somehow  
if I could only see you one more time

so please say you'll let me see you  
five minutes alone  
it's so hard to make you understand  
talking on the phone

I'd like you to know I know I was wrong  
I'd like you to know my love is still strong  
yee, but I'd like to see you one more time

I'm so lonely tonight
