

## Trouble in Mind

Sam Cooke

Trouble in mind, I'm blue  
But I won't be blue always  
I know the sun's going to shine  
In my back door someday

I got that trouble in mind, that's true  
I have almost lost my mind  
Life ain't worth living  
Sometimes I feel like dying

Tell you what I'm gonna do  
I'm going to lay,  
On some lonesome, railroad line  
And let two-ten train  
Ease my trouble in mind

Meanwhile I got that  
Trouble in mind, I'm blue  
But I won't be blue always  
I know the sun's going to shine  
In my back door someday

If things don't get better  
I'm going down to the river  
I'm gonna take my old rocking chair  
And if the blues overtake me  
I'm gonna rock on away from here

Trouble in mind, I'm blue  
But I won't be blue always  
I know the sun's going to shine  
In my back door someday

I'm not worried cause I know  
I know the sun's going to shine  
In my back door someday

I know the sun's going to shine  
In my back door someday
