

Broke Down Piece of Man

Sam & Dave

Uh, take a look at me darling
Tell me what you see now
I'm only half the man, baby
That I used to be, look
Since you been gone now
Life's an empty shell, yeah
Please come back, darling
And a make a lone man wail

'Cause I'm just a broke down piece of man
Broke down piece of man
Without your love, oh yeah

Heartache and misery (Uh huh)
Walk by my side (Da-da-da-da-da)
Sadness have got a hold on me (Ooh yeah)
Scoop me from my pride
Please give our love (Oh yeah)
Another chance
That's the part of way baby, alright
That my little heart will mend

'Cause I'm just a broke down piece of man
Broke down piece of man
Without your love

Nobody else can cure the hurt I've got
It's your love I need, and I need it a lot, yeah
Please give our love, alright (Hey)
Give it just one more chance now (Ooh)
That's the only way, baby (Ooh yeah)
That my little heart will mend

'Cause I'm just a broke down piece of man
Broke down piece of man
Without your love, yeah

Oh baby (Yeah)
Without your love (Ooh your love)
