

# If You Got the Loving

Sam & Dave

If you got the loving  
I got the time  
It just takes a little bit  
To mess up my mind

Baby, you got all the power  
And you can keep me happy  
Every, every hour

If you are willing  
Baby I'm able  
You don't have to call  
Or wire me a cable  
Just come on  
Come on  
Come on

If you got the loving  
I got the time  
I've waited so long  
Please make up your mind  
Just a little of your goodness  
And keep your arms all around me  
I'm like a lost man  
Happiness will find [?] me

If you got the loving  
I got the time  
It just takes a little bit  
To mess up my mind, girl

Baby, you got all the power  
And you can keep me happy, honey  
Every, every hour

If you got the loving  
I got the time...
