

# I Need Love

Sam Phillips

I left my conscience  
Like a crying child  
Locked the doors behind me  
Put the pain on file

Broken like a window  
I see my blindness now

And I need love  
Not some sentimental prison  
I need God  
Not the political church  
I need fire  
To melt the frozen sea inside me  
I need love

Driving into town  
Tired and depressed  
Like a flare  
The streetlight bursts an S.O.S

Peace comes to my rescue  
And I don't know what it means

But I need love  
Not some sentimental prison  
I need God  
Not the political church  
I need fire  
To melt the frozen sea inside me  
I need love

Broken like a window  
I see my blindness now

And I need love  
Not some sentimental prison  
I need God  
Not the political church  
I need fire  
To melt the frozen sea inside me  
I need love

I need love  
I need love
