

Liquid Soul Dimension

Samael

Far From My Kingdom
Golden Dreams, Tranquil Peace
Far From Me, Pornographic Smiles
Far Is Your World
Lost In A Sea Of Nothingness
A Passed Utopia, A Banished Lie
Land, Of Infinite Spaces
Suns, Of Interior Lights
Dances Of The Absurd And The Real
Liquid Soul Dimension
The Force Is Around And The Force Is Inside
I Swallow The Light And The Light Swallows Me
I Don't Exist Anymore But I Feel As I Am
But I Feel As I Am...
Far Into The Inner Universe
Detached, Free And Submissive
From Up On My Throne
I Command, I Obey
