Shining Kingdom

I Took A Long Trip And Now Back Again To The Point Where I Began And Everything I Left Behind Followed Me, Preceded Me Souvenirs Are Patient, They Only Know The Lassitude They Provide

Feeding The Void With Emptiness It Took Me Time To Understand It Was Always Here, Deep Inside Always There, Far Away The Shining Kingdom

I Took A Long Trip To Leave Myself To Search For Another Me Elsewhere I Haven't Found Anything I Just Forgot What I Was Looking For I Did Forget What I Was Looking For I've Been Lost

Feeding The Void With Emptiness It Took Me Time To Understand It Was Always Here, Deep Inside Always There, Far Away The Shining Kingdom
