

Ready For This Love

Samantha Fox

I'm ready for this love
I'm ready for this love

I'm on my way over to deliver
A message I need to give to you
it's what you've been waiting for
Yea, baby, it's finally coming true

Resisting your arms that tried to find me
I started to realize you're true
I left all my broken hearts behind me
No tears to blind me, I'm not scared anymore
Now I run to your door

'Cause I'm ready, yes, I'm ready
Baby, I'm ready for this love
'Cause everything I've been dreaming of
Baby, it's this love

Don't need a telephone to tell you
Won't send a letter in my place
I want to be eye to eye, yea, baby
I wanna be face to face

No moving melody compares with
The way my heart skips a beat for you
No rhythm tastes as sweet, yea, darlin'
'Cause this love that I'm in, I can't wait anymore
Now I run to your door

'Cause I'm ready, yes, I'm ready
Baby, I'm ready for this love
'Cause everything I've been dreaming of
Baby, it's this love, this love

'Cause I'm ready, yes, I'm ready
Baby, I'm ready for this love
'Cause everything I've been dreaming of
Baby, it's this love, this love

I wished and I wondered
Till I thought this love would never come
But it wasn't me who changed my mind
it's you who was the one

'Cause I'm ready, yes, I'm ready
Baby, I'm ready for this love
Everything I've been dreaming of
Baby, it's this love, it's this love

'Cause I'm ready, yea, I'm ready
Baby, I'm ready for this love
Everything I've been dreaming of
Baby, it's this love, it's this love

'Cause I'm ready, yes, I'm ready
Baby, I'm ready for this love

Everything I've been dreaming of
Baby, it's this love, it's this love

'Cause I'm ready, yea, I'm ready
Baby, I'm ready for this love
Everything I've been dreaming of
Baby, it's this love, it's this love

'Cause I'm ready, yes, I'm ready
Baby, I'm ready for this love
Everything I've been dreaming of
