

Blue Christmas

Samantha Jade

I'll have a blue Christmas without you
I'll be so blue just thinking about you
Decorations of red on our green Christmas tree
Won't be the same dear, if you're not here with me

And when those blue snowflakes start fallin'
That's when those blue memories start callin'
You'll be doin' all right, with your Christmas of white
But I'll have a blue, a blue blue blue Christmas, ooh

You'll be doin' all right, with your Christmas of white
But I'll have a blue, a blue blue blue Christmas

I'll have a blue Christmas without you
I'll be so blue just thinking about you
You'll be doin' all right, with your Christmas of white
But I'll have a blue, a blue blue blue Christmas
Oh I'll have a blue, a blue blue blue Christmas, ooh
