

# Take Me Home

Samantha Jade

Take me home, take me home  
I want to feel you close to me  
Take me home, take me home  
With you is where I want to be

Wrapped in your arms tonight  
Just makin' love  
Music and candlelight  
Stars up above

Take me home (take me home)  
Take me home (take me home)  
Oh, can't you see I want you near  
Take me home (take me home)  
Take me home (take me home)  
Oh, baby let's get out of here

I'd follow you anywhere  
Your place or mine  
Just a one-night affair  
Would be so fine, yeah

I'm in heaven (heaven)  
Seems like heaven (heaven)  
So much in heaven

Take me home  
Take me home

One night with you  
Lyin' here next to me  
It's the right thing to do  
It would be ecstasy

I'm in heaven (heaven)  
Seems like heaven (heaven)  
So much in heaven

Take me home  
Ooh baby, take me home (take me home)

Music, candlelight, so right  
Take me home  
In your arms tonight  
Hold me tight  
Take me home  
Just me and you forever  
Take me home  
Home with you  
You and me together  
Take me home

Wrapped in your arms tonight  
Just makin' love  
Music and candlelight  
Stars up above

I'm in heaven (heaven)  
Seems like heaven (heaven)

(Take me, take me home, home with you)  
C'mon and take me, oh baby baby take me home  
(Take me, take me home, home with you)  
Take me home, c'mon and take me  
(Take me, take me home)  
(Take me home)
