

That's the Way

Samantha Jade

That's the way, that's the way
That's the way
Oh that's the way
That's the way, that's the way
Oh yea

You know I see how you look at me
But you wanna play boy?
It's such a shame boy
I'm telling you, the things you do with making me feel like I need a change
boy
Hear what I'm sayin
I don't know

To be honest with you, I don't know
Actin like you wanna be so low
It's like that, I'm a just say no
Boy no no no no no no

Switch it up and I'll let you know
What I want from love, get cold
No more keeping it on the low
I'm tryina show you

That's the way, that's the game
You should play
If you want me to be your girl
That's the way, that's the way

That's the way, that's the game
You should say
If you want me to be your girl
That's the way, that's the way

Given you the chance, why don't you come and take?
It would be so easy
If you'd listen to me
Your running out of time could be my why can't you see?
Oh my God, I'll sit here
Patiently waiting
Need, oh no

To be honest with you, I don't know
Actin like you wanna be so low
It's like that, I'm a just say no
Boy no no no no no no

Switch it up and I'll let you know
What I want from love, get cold
No more keeping it on the low
I'm tryina show you

That's the way, that's the game
You should play
If you want me to be your girl
That's the way, that's the way

That's the way, that's the game
You should say
If you want me to be your girl
That's the way, that's the way

Every time, every time
You and I went out together
I think about what we could have
And that's why, that's why
All night, all night
All I want is for you just to hear me
That's the way

That's the way, that's the game
You should play
If you want me to be your girl
That's the way, that's the way

That's the way, that's the game
You should say
If you want me to be your girl
That's the way, that's the way

That's the way, that's the game
You should play
If you want me to be your girl
That's the way, that's the way

That's the way, that's the game
You should say
If you want me to be your girl
That's the way, that's the way

Yea yea yea yea
That's the way that you play
That's the way, that's the way
That's the game, that's the game
You should play, you should play
That's the game
That's the way, that's the way
