Samantha Mumba

Saturday night with no makeup
Grabbing my waist as we make love
Whisper in your ear and tell you everything I like
We gone be here for a minute
Baby, spin it twice
And another time
Cos when you're inside
That beat go

Right right go right right
Go right right right
Aye aye aye aye
Go right right right yeah
Right right go right right
Go right right right
Please, don't get left out
Aye aye
Hit that shit so
Right right go right right
Go right right right
Aye aye aye aye

Aha aha aha
