

We go 'round in a figure 8
Touched you once but I could not stay
Magnetised I go 'round again
Cross your path then I'm torn away

La Nihaya
La Nihaya
You said remember me
And I'll remember you
La Nihaya
La Nihaya
You said come back for me
And I'll come back for you

I keep on aching
Knowing you're waiting
In an endless love
There's just no end of
I'll keep on chasing
Figure eighting
In an endless love
There is no end of
La Nihaya
La Nihaya
La Nihaya

We go 'round in a figure 8
Two lines play in a circle game
Infinite I go 'round again
A union that I cannot break

La Nihaya
La Nihaya
You said remember me
And I'll remember you
La Nihaya
La Nihaya
You said come back for me
And I'll come back for you

I keep on aching
Knowing you're waiting
In an endless love
There's just no end of
I'll keep on chasing
Figure eighting
In an endless love
There is no end of
La Nihaya
La Nihaya
La Nihaya

I keep on aching
Knowing you're waiting
In an endless love
There's just no end of
I'll keep on chasing

Figure eighting
In an endless love
There is no end of
La Nihaya
La Nihaya
La Nihaya
