

# Shadowless

Sami Yusuf

What do you see?  
Tell me what do you taste?  
Tell me what do you hear  
When I whisper your name?  
You see through my eyes  
And turned me away  
In madness, you'd spiral  
If I did the same

Oh my love I'm waiting  
Oh my love I'm calling  
Oh my love I'm yearning  
I shine but you're

Shadowless, no you don't see me  
Shadowless, bright as I can be  
Shadowless, no you don't see me  
I shine but you're  
Shadowless, no you don't see me  
Shadowless, bright as I can be  
Shadowless, no you don't see me  
I shine but you're  
Shadowless

Memories you took  
Like grapes off the vine  
In citrus, in sweetness  
With you all the time  
You tasted my love  
And turned me away  
Your tears would make oceans  
If I did the same

Shadowless, no you don't see me  
Shadowless, bright as I can be  
Shadowless, no you don't see me  
I shine but you're  
Shadowless, no you don't see me  
Shadowless, bright as I can be  
Shadowless, no you don't see me  
I shine but you're

Shadowless  
Shadowless  
Shadowless  
I shine but you're  
Shadowless  
Shadowless  
Shadowless  
I shine but you're

(I know) you think you don't see me  
(I know) you think you don't hear me  
(Tell me) if you ever need me  
Know that my love is  
Limitless, boundless, waiting there for you  
(I know) you think you don't see me

(I know) you think you don't hear me  
(Tell me) if you ever need me  
Know that my love is  
Limitless, boundless, waiting there for you  
(I shine but you're)

Shadowless, no you don't see me  
Shadowless, bright as I can be  
Shadowless, no you don't see me  
I shine but you're  
Shadowless, no you don't see me  
Shadowless, bright as I can be  
Shadowless, no you don't see me  
I shine but you're

Shadowless  
Shadowless  
Shadowless  
I shine but you're  
Shadowless  
Shadowless  
Shadowless  
I shine but you're  
Shadowless
