Try Not To Cry

Sami Yusuf

You, you're not aware That we're aware Of your despair Don't show your tears To your oppressor Don't show your tears

[CHORUS:]
Try not to cry little one
You're not alone
I'll stand by you
Try not to cry little one
My heart is your stone
I'll throw with you

[Isam:]

'Ayn Jalut where David slew Goliath This very same place that we be at Passing through the sands of times This land's been the victim of countless crimes From Crusaders and Mongols to the present aggression Then the Franks, now even a crueller oppression If these walls could speak, imagine what would they say

For me in this path that I walk on there's only one way Bullets may kill, bones may break Still I throw stones like David before me and I say

[CHORUS]

You, you're not aware That we're aware Of your despair Your nightmares will end This I promise, I promise

[CHORUS]

[Lenny:] No llores, no pierdas la fe La sed la calma el que haze Agua de la arena Y tu que te levantas con orgullo entre las piedras Haz hecho mares de este polvo Don't cry, don't lose faith The one who made water come out of the sand Is the one who quenches the thirst And you who rise proud from between the stones Have made oceans from this dust

[Waqas:]
I throw stones at my eyes
'cause for way too long they've been dry
Plus they see what they shouldn't from oppressed babies to thighs

I throw stones at my tongue 'cause it should really keep its peace I throw stones at my feet 'cause they stray and lead to defeat A couple of big ones at my heart 'cause the thing is freezing cold But my nafs is still alive and kicking unstoppable and on a roll I throw bricks at the devil so I'll be sure to hit him But first at the man in the mirror so I can chase out the venom

[Isam:]
Hmm, a little boy shot in the head
Just another kid sent out to get some bread
Not the first murder nor the last
Again and again a repetition of the past
Since the very first day same story
Young ones, old ones, some glory
How can it be, has the whole world turned blind?
Or is it just 'cause it's only affecting my kind?!
If these walls could speak,
imagine what would they say
For me in this path that I walk on
there's only one way
Bullets may kill, bones may break
Still I throw stones like David before me and I say

[CHORUS]
