

Wherever You Are

Sami Yusuf

My best times
Were when I felt close to you
But everything fell apart
The moment I strayed from you

In each smile
In every single sigh
Every minute detail
Traces of you are found there

Wherever you are I'll find you
Cause you're the one I turn to
Wherever you be I'll be with you

Cause you're the one my heart is to
I need you

To see your smile
I would pass every trial
Desperately I await
For the day when I'm by your side

Wherever you are I'll find you
Cause you're the one I turn to
Wherever you are I'll follow you
Cause you're the one I turn to
Wherever you be I'll be with you
Cause you're the one my love is to
My love is to

Wherever you may be
I'll follow till I see
In my heart you will be
Your love is all I need

In every single smile
Every single sigh
Every minute detail
Traces of you are there

Wherever you may be
I will search till we meet
In my heart you will be
Your love is all I need

Wherever you may be
