

You

Sami Yusuf

I am what I am, because You made
I have what I have, because You gave
My love is strong because

You
Are the One I call Creator
My Alpha and Omega
My Protector and my Maker
Because of You
In weakness I am braver
My Defender and my Saviour
My Giver and my Taker

Abiding in silence
With patience and guidance
Aware when I need You, the light when I seek You
Justice, forgiveness
The strength in my weakness
And my love, and my love, is strong because

You

Are the One I call Creator
My Alpha and Omega
My Protector and my Maker
Because of You
In weakness I am braver
My Defender and my Saviour
My Giver and my Taker

Lover, Taker
Guider, Saviour
Endless, Greatest
Timeless, Patient
Bringer of the life You gave us
Patron of the world You made us

You are Grateful, my Receiver
You are Watchful, the Perceiver
You are Mercy, my Forgiver
You restore me, my Healer

Because You are, because You.
