

DUMB DUMB (INTERLUDE)

Sammie

I'm a man so I guess I'm a fool for love
'Cause I can't have a woman so good
But somewhere down the line I fucked up
I'm sorry I'm weak, like Adam to Eve
These girls are my downfall, my forbidden tree
And your heart should run
'Cause I'm stupid I'm childish I'm dumb
So dumb, ye,
Girl I'm such a dumb dumb
Kill a lifetime for minutes
I start but can't finish
This love shoot me down, down
Cupid and stupid just don't mix
Girl I'm such a dumb, dumb
Runaway fast as you can Forrest Gump
Girl I'm such a dumb, dumb, dumb, dumb
And you're heart should run
Baby I'm dumb,
Baby I'm dumb, so dumb, stupid and cupid just don't mix
Girl I'm such a dumb, dumb, dumb
I do know I
I'm such a dumb, dumb, dumb, dumb
You're heart should run
