

For You, The Fans

Sammie

1999 I got my deal I finally made it
I'm doing videos and tv shows and things got faded
The road gets rough and times get tough and then we fall
But now I'm back
And I owe it all to ya'll
But what would I be without my fans
Who would I be the man that I am
What would I do
Where would I go
I don't know I love you so
What can I say words can't explain
All of the ways that I feel
But I know that the feeling is real
This is for you
Who held me down when I felt I couldn't go on
This is for you
Who helped me through when I felt I couldn't go on
This is for you who ever believed in me and helped my dreams come true
This is for you this is for you this is for you
For my fans that ever came to my show
Or request my song on the radio
Or voted me number 1 on the video
I love ya oh
Whoever asked for my flick while we on the streets
Or autograph for ya girl or ya shawty
For bumpin me in ya whip to my cd
I love ya oh
This is for you who held me down when I felt I couldn't go on
This is for you who helped me through when I felt I couldn't go on
This is for you who ever believed in me and helped my dreams come true
This is for you this is for you this is for you
It seems like yesterday I was rockin it on the stage
Singing I like it fans screaming in a rage
The love I have for ya'll I can not explain
I swear these words are true
So this is for you
Who held me down when I felt I couldn't go on
This is for you who helped me through when the thought of hope was gone
This is for you who ever believed in me and helped my dreams come true
This is for you this is for you this is for you
