

# Last Day

Sammie

Kiss me like you owe me, owe me  
Owe me, owe me, no-no-no-no  
Kiss me like you owe me, owe me  
Kiss me like you owe me, owe me  
Kiss me, kiss me, kiss me, kiss me  
Like you owe me (Rock me baby)

I've been looking in a mirror  
Searching for the better of part of me  
If I, never got any bigger or richer  
I pray you see a man you can't believe

And if I die tonight baby  
I hope you kiss my last breath away  
And if you cry tonight baby  
I'll wipe your tears so my last touch will be your face  
Ooo-ahhh, ohhh

Kiss me like you owe me (Own me)  
Touch me like you own it babe (Own it babe)  
Love me like its over (Over)  
But make it last forever babe  
The sun don't shine forever  
So lets gaze at the moon together  
So while we laying in my sheets  
And you kissing on me, baby  
Fuck me like its my last day, eh, eh, ohh  
Fuck me like its my last day, eh, eh, ohh  
Fuck me like its my last day, eh, eh, ohh  
Fuck me like its my last day, eh, on earth babe  
Fuck me like its my last day

I can see the picture  
Sittin' on the night stand, next to the bed where we make love  
Love, love, love  
And for every stroke that I give you  
You take it, exam it, I catch it, baby I'm witchu', ohh

And if I die tonight baby  
I hope you kiss my last breath away  
And if you cry tonight baby  
I'll wipe your tears so my last touch will be your face  
Oh-ohh

Kiss me like you owe me (Own me)  
Touch me like you own it babe (Own it babe)  
Love me like its over (Over)  
But make it last forever babe  
The sun don't shine forever  
So lets gaze at the moon together  
So while we laying in my sheets  
And you kissing on me, baby  
Fuck me like its my last day, eh, eh, ohh  
Fuck me like its my last day, eh, eh, ohh  
Fuck me like its my last day, eh, eh, ohh  
Fuck me like its my last day, eh, on earth babe  
Fuck me like its my last day
