

Love Don't Play Fair

Sammie

I know I cheated, I know I cheated for no reason
I know that looks can be deceiving
I don't look like I'm a cheater
But I'm guilty and I'm pleading
Please forgive me, say you forgive me, you ain't leaving
And If you love me you can drop it just enough
For you to trust me, baby trust me, damn it trust me again

I got a talent for making you cry, for breaking your heart
I just wanna make it right, where do I start?
Need you to dig deep inside, let me fix your heart
You said, "No, w-what do I care?" Damn
Love don't play fair, no, no, nooo
Love don't play fair, no, no, nooo-oh-oh-ohh
Love don't play fair, no, no, nooo
You said "No (Noo!) What do I care? (A-what do I care?)"
L-l-l-love don't play fair
Love
(I'm just tryna love, fix your heart, but you won't let me)
Love don't play fair
(I'm just tryna make you understand, but you don't get me)
Love don't play fair
(I'm just tryna love, fix your heart, but you won't let me)
You said, "No, what do I care?"
(I'm just tryna make you understand, but you don't get me)
Love don't play fair

Said you forgave me
So one year later, things are good now
Really you hate me
You acting out, like I never thought you would now
What up, with all this flirting you doing?
What the hell is you doing?
Better not be out here screwing, girl I'mma lose it
I'm tryna' earn back the trust, but meanwhile
It seems you tryna' lose it, oh-ohh

I got a talent for making you cry, for breaking your heart
I just wanna make it right, where do I start?
Need you to dig deep inside, let me fix your heart
You said, "No, w-what do I care?" Damn

Love don't play fair, no, no, nooo-oh-oh-ohh
