

MAN CRY

Sammie

Baby love, here am I
Answer if you hear me
'Cause, baby, I'm going down (Down, down, down)
For every time I made you cry
Trust, I didn't mean it
I'm trapped and I can't find my way out

I'm like a bird that can't fly
An angel who's lost its wings
Girl, without you I'll die
You left me so I hope you hear my man cry
Oh-oh, oh-oh
Girl, you made this man cry
Oh-oh, oh, oh

Baby, I'm begging
Baby, I'm begging, begging, begging
For you to come back to me
Shawty, come back to me
Oh-oh, oh, oh
Hope you hear my man cry

These four walls driving me crazy
I'm tired of sleeping alone (Alone, alone, alone)
You were supposed to have my baby
This house is no longer home

I'm like a bird that can't fly
An angel who's lost its wings
Girl, without you I'll die
You left me so I hope you hear my man cry
Oh-oh, oh-oh
Girl, you made this man cry
Oh-oh, oh, oh

Baby, I'm begging
Baby, I'm begging, begging, begging
For you to come back to me
Shawty, come back to me
Oh-oh, oh, oh
Hope you hear my man cry

I want you, I need you
Girl, let me fix all my mistakes
'Cause these tears keep falling, my hands keep shaking
My heart keeps calling while my world keeps quaking
Girl, please come take this pain away
I hope you hear my man cry
Girl, you made this man cry
Oh, baby

Baby, I'm begging
Baby, I'm begging, begging, begging
For you to come back to me
Shawty, come back to me
Oh-oh, oh, oh
Hope you hear my man cry

Oh-oh, oh-oh
Oh-ho, oh, oh
Girl, you made this man cry
Girl, you made this man cry
