

Time

Sammie

I know, I know
Girl I hear you, there's no need for you to speak
I know, I know
That love ain't been so kind to you, I see
You've been loved all wrong
Hurt for far to long
You tried to work it out
Forgot what loves about

So busy pleasing him while you lost yourself
Stayed down when he was busy loving someone else
So baby, I'll be patient
You're worth it, so I'm waiting
I've, I've (I've got time)
Baby I'mma wait on you, baby I'mma wait on you
(I've got time)
Baby I'mma wait on you, baby I'mma wait on you
(Take your time)
Baby I'mma wait on you, baby I'mma wait on you
(Love is time)
I've (I've) I've (I've) I've (Got time)
Baby I'mma wait on you, baby I'mma wait on you
(I've got time)
Baby I'mma wait on you, baby I'mma wait on you
(Take your time)
Baby I'mma wait on you, baby I'mma wait on you
(Love is time)
I've (I've) I've (I've) I've

I know, I know
You're timid, but believe me when I say
That I know, I know
I'm the one for you, I put that on my name
Baby I'mma give you everything that you need
And everything that you want
I'mma do everything he don't
I know he only turned you off
When's the last time you smiled
You ain't even been out
We can fly out of town
I'm just thinking out loud, out loud
You've been so busy

So busy pleasing him while you lost yourself
Stayed down when he was busy loving someone else
So baby, I'll be patient
You're worth it, so I'm waiting
I've, I've (I've got time)
Baby I'mma wait on you, baby I'mma wait on you
(I've got time)
Baby I'mma wait on you, baby I'mma wait on you
(Take your time)
Baby I'mma wait on you, baby I'mma wait on you
(Love is time)
I've (I've) I've (I've) I've (Got time)
Baby I'mma wait on you, baby I'mma wait on you
(I've got time)

Baby I'mma wait on you, baby I'mma wait on you
(Take your time)
Baby I'mma wait on you, baby I'mma wait on you
(Love is time)
I've (I've) I've (I've) I've

I know that you've been hurt
You ain't been gettin' what you deserve, I know
I know that he put you down
Baby that nigga's a clown
No fear cause you got me now
I know, I know, I know, yeah
I know, I know, I know, I

(I've got time)
Baby I'mma wait on you, baby I'mma wait on you
(I've got time)
Baby I'mma wait on you, baby I'mma wait on you
(Take your time)
Baby I'mma wait on you, baby I'mma wait on you
(Love is time)
I've (I've) I've (I've) I've (Got time)
Baby I'mma wait on you, baby I'mma wait on you
