

All for You

Sammy Adams

I got a gang who was askin'
Marijuana money and some bad tings
Can't be a bad thing
Gang fantastic
Runnin' through the green
No breaks no traffic
I wouldn't normally be so quick
To encroach you with the notion (that I'm lost)
So excuse all my emotions
I can't stand that you care
When it's clear that it's all for you

Don't care if you're a model
Used to be familiar
You were just a cashier somewhere
I don't need a lady
I just need my girl right now
Feel crazy
It's all for you
Ahh it's all for you
Yeah it's all for you
Ahh it's all for you
Yeah it's all for you

On the road no stoppin'
Runnin' through your city with the same boys
You know who we came for
Got a goal keep chalking
Wins up for my city with the same team
Living in the same dream
Before I even wrote this
You're working at a restaurant as the hostess
But you could be the queen of punk or homeless
I just can't stand that you care
When it's clear that it's all for you

Don't know if you think about me
When I'm not around
Cuz you know what I'm comin' for
When I'm back in town
I just landed in a warm place
Know you in a new hood
I'm back to my old ways
You message me, do good
That's why I don't keep it a secret
As to why I keep it even
As to why you keep believing (no, no)
Who's ever fuckin' with you
Or close to fuckin' with us
I do this it's all for you

Don't care if you're a model
Used to be familiar
You were just a cashier somewhere
I don't need a lady
I just need my girl right now
Feel crazy

It's all for you
Ahh it's all for you
Yeah it's all for you
Ahh it's all for you
Yeah it's all for you

Don't care if you're a model
Used to be familiar
You were just a cashier somewhere
I don't need a lady
I just need my girl right now
Feel crazy
It's all for you
Ahh it's all for you
Yeah it's all for you
Ahh it's all for you
Yeah it's all for you
