

Yea Yea

Sammy Adams

(They call me "Yea Yea"
They call me "Yea Yea"
They call me "Yea Yea"
They call me "Yea Yea")

They call me "Yea Yea"
Always leave 'em on read, yeah
Only in it for the chase but once I catch ya
Drop like the chains upon my neck, and yeah-yeah
I gave you a sign, I told ya
Only one night I could hold ya
Bloody hearts on the sunset
That's why it's better left on read
They say

Everybody asking, "Yo, who is this?"
Well it's mine, get yo own
I hear that you a hot tight ting
Hear the hotline bling
Baby, hit me on my cellphone
Never had to work, been working from home
Couple more at ease won't work for too long
She came to the show but just for two songs
Did a encore and took her right home

Now we f*ckin' with the lights on
Yeah, you got me right in my zone
Can't make this up, I swear
Ain't 'cause of the 'fits I wear
Or the car I drive
Only hit the club if the club mile high
Inside job, yeah, own like Clive
And I don't cash dubs on me
That's why

They call me "Yea Yea"
Always leave 'em on read, yeah
Only in it for the chase but once I catch ya
Drop like the chains upon my neck, and yeah-yeah
I gave you a sign, I told ya
Only one night I could hold ya

Bloody hearts on the sunset
That's why it's better left on read
They say

I don't wanna make a scene
We ain't on the same team
'Cause tonight's Game of Thrones
Yeah, I died but I'm back
But I'm king of the North
Stunting like I'm Jon Snow, yeah

Ain't one thing above me
She give me one chance and loves me
I feel all alone sometimes
Probably call you up

To hit you with that long D, yeah, see ya
Hit your man out his Filas, Filas
Don't like me then don't follow
Hit ignore, call tomorrow
That's why

They call me "Yea Yea"
Always leave 'em on read, yeah
Only in it for the chase but once I catch ya
Drop like the chains upon my neck, and yeah-yeah
I gave you a sign, I told ya
Only one night I could hold ya
Bloody hearts on the sunset
That's why it's better left on read
They say

They call me "Yea Yea"
Always leave 'em on read, yeah
Only in it for the chase but once I catch ya
Drop like the chains upon my neck, and yeah-yeah
I gave you a sign, I told ya
Only one night I could hold ya
Bloody hearts on the sunset

They call me "Yea Yea"
They call me "Yea Yea"
