

Back Into You

Sammy Hagar

20/20, there's nothin' wrong with my vision
Yet I can't see to make a good decision
Ooh, I can hear alright, except for good advice
If I blow it once, it ain't gonna happen twice

I hate to say it
But I never should have let you go
But now I'm back to let you know

I'm back into you, all the way inside
Back into you, every inch this time
Oh, I'm back into you
'Cause I've played around
But now my aim is true
And it feels so good to be back
I'm back into you

Well, strange people make me a little bit shy
A familiar face always catches my eye
Socially I like to hang out in the comfort zone
'Cause when it comes to love, baby, I got to feel at home, yeah

I hate to say it
But I never should have let you go
But now I'm back to let you know

I'm back into you, I'm all the way inside
Back into you, it's every inch this time
Oh, I'm back into you
'Cause I've played around
But now my aim is true
And it feels so good to be back
I'm back into you, I'm back

First time around
I know it was hard on you
But now I'm back
To follow through

Back into you, all the way inside
I'm back into you, it's every inch this time
Ooh, I'm back into you
'Cause I've played around
But now my aim is true
And it feels so good to be back

I'm back into you, I'm all the way inside
Back into you, every inch this time
Oh, I'm back into you, yeah
All the way, feels so good to be back, baby

Back into you
Back into you
