

Give To Live

Sammy Hagar

Ooh, I can see that you've got fire in your eyes
And the pain inside your heart
So many things have come and torn your world apart
Oh baby, baby, baby, don't give up, don't give up, don't give up

If you want love
If you want love you've got to give a little
If you want love
If you want faith you just believe a little
If you want love
If you want peace turn your cheek a little
Oh, you've got to give, you've got to give, you've got to give to live

An empty hand reaching out for someone
An empty heart takes so little to fill
It's so much easier to push instead of pull
Oh baby, baby, baby, don't give up, don't give up, don't give up

If you want love
If you want love you've got to give a little
If you want love
If you want faith you just believe a little
If you want love
If you want peace turn your cheek a little
Oh, you've got to give, you've got to give, you've got to give to live

Each man's a country in his own right
Oh, everybody needs a friend
One friend, one God, one country
No man need defend, yeah

I believe in fate and destination
But so much of that lies in our own hands
If you know what you want, just go on out and get it
Oh baby, baby, just don't give up, no no, oh don't give up, yeah yeah

If you want love
If you want love you've got to give a little
If you want love
If you want faith you just believe a little
If you want love
If you want peace turn your cheek a little
Oh if you want love, you've got to give

If you want love
Oh give to live
If you want love
You've got to give, you've got to give
You've got to give to live
If you want love
If you want love
Oh oh
If you want love
Oh oh
If you want love
Oh oh
