

# Sam I Am

Sammy Hagar

Well, tried to be your paper boy  
Tried to be your boy scout  
Tried to be your ice cream man

I could not be your soldier  
Or even drive your bus  
My skills weren't always that obvious

Yeah, but I hope you understand  
I'll do the best I can  
I ain't no perfect man but Sam I am

I'm a back-talkin' fighter  
A silver bullet biter  
I'm a flip-flop slider  
And a guitar moonlighter

I'm your prove it all nighter  
Your holy ghost writer  
Pale of shade whiter  
I'm your rock 'n' roll driver, oh yeah, oh yeah  
That's all I am

I tried to be your oil man  
Tried to be your big boss  
Tried to be your broker but you took a loss

It's just a hopeless case  
And I ain't no lawyer  
I only got a few tricks I can show ya

And I hope you understand it  
I'll do the best I can  
I ain't no Superman but Sam I am

And I'm a feel good doctor  
A big bad talker  
After midnight walker  
Sittin on the bay docker

I'm a sunshine stalker  
Hodaddy wave watcher  
Heaven's door knocker  
Blue, white and red rocker, oh yeah, oh yeah  
That's all I am

Well, well listen

I tried to be everything to you  
Yeah, but it would not would not do  
I got nothin on my resume  
But I can rock you and roll you each and everyday

Have mercy on me  
I am not sorry  
Believe me, it's easy  
I'll do my best to be a

Straight shot shooter  
A bad motor scooter  
Sunny honeymooner  
Your heavy metal crooner

Make you wanna holler  
Shirt with no collar  
Wish I was a couple inches taller  
White, blue and red rocker, oh yeah, oh yeah

Uh, I say yeah, yeah, yeah  
That's all I am  
That's all I am  
Baby, baby, baby  
Sam I Am
