

# Top Of The Rock

Sammy Hagar

I've taken a lot of lip  
Just to be what I am  
You think it's tough, bein' a kid  
(huh)  
Well try bein' a man sometime  
Everybody wants a little piece  
Or they try to shoot you down  
Well I just tell 'em, "sit on this"  
And spin around, Yeah!  
Whoo!  
It ain't easy, speakin' out  
Some people take it to heart  
And if you ain't standin' on top of the rock  
They'll try and tear you apart  
(Me)  
I look for the hard way  
I own the game you fear  
And it got me in a lot of trouble  
But, it also got me here  
Chorus:  
Standin' on top  
Top of the rock  
Standin' on top  
Top of the rock  
I may not be, a business man  
I ain't no fast, slick talker  
But you just ask the kid in the street  
(heh, damn)  
I'm a rocker  
Everybody wants a little piece  
And they try to shoot me down  
Yeah, well I tell them to "sit on this"  
(huh)  
And take a spin around  
{chorus:}  
{guitar solo}  
I took 4 the hard way  
I know the game you fear  
Yeah, she got me in a lot of trouble  
And it also got me here  
{chorus:}  
(close, Whoo!)  
{chorus:}  
Yeah!  
Standin' on top - of - the- rock  
Yeah, and I ain't comin' down, baby  
HUH!
