

FEMALE

Sampa the Great

Big bold women, round of applause
Get-my-goals women, round of applause
Know-my-roots women, round of applause
It to come and getcha, getcha, getcha
Imma 'dem, I swear to
Gonna get a female
Betcha, betcha, betcha
She gon' catch ya
Big bold women gonna come and applaud
Got-my-back women, I do applaud
I'm an F E M A L E
From the ghetto, bet she got a brain and stilletos
She work five to nine, still got time for the men, true
There's another way and forget about the echoes at the ghetto. Got th
e giggles, since she never leave the ghetto
Gotta tell 'em, "Get the memo"
Cause in time she gonna let go
She a queen
And you know she never leave
They be waitin' for a stumble but she never trip again
(My god)

F E M A L E
F E M A L E
F E M A L E
F E M A L E
F E M A L E
F E M A L E
F E M A L E

Though she a queen
And you know she never leave
They be waitin' for a stumble but she never trip again
She got talent, class, brawn
Askin' me if "Baby got back?" Got it from the motherland
Mother Mary never met a mother tell me like that
So far only made in Africa
Cause the women in my village only carry five stars

F E M (my god)
F E M A L E
F E M A L E
F E M A L E
F E M A L E
F E M A L E
F E M A L E
F E M A L E
