Sampa the Great

God at its finest  
Wonder what optimum prime is  
Never underestimate your highness  
Dripped in melanin, Galaxy's finest  
Put a bit of pressure on the spirit of the highest  
Through It I will  
Do it, I will  
If you don't believe me, then you bet you I will  
If you don't believe me, then you bet you I will  
Build a bigger pillar for the, bet you I'll chill  
Ahh

Flow  
Oh my Gosh  
Where man go  
Oh my Gosh  
If a man see me  
Oh my Gosh

I guess you never know  
What you got till it's  
Uh, uh  
Gone

Flow  
Oh my Gosh  
Where man go  
Oh my Gosh  
If a man see me  
Oh my Gosh

I guess you never know  
What you got till it's  
Uh, uh  
Gone

Eh uh, eh uh  
Eh uh, eh uh

What a man says he is, he is  
As a man thinketh jheeze  
Thelma and Louise  
Took a lot of effort just to get out from the heat  
Daddy adolescent said he'd get out from the streets  
Give him kid a feed  
Let em grow they feet  
Fly em out of Africa  
Give them kids a beat  
Show them how the other half  
How the world lives  
How the world lives  
Nah

They don't know me (they don't know)  
They can't hold me (they can't hold)  
They box  
They box  
They talk  
I know  
They can't show me

Please, bireive  
They deceive me  
They flex  
They flex  
They flex  
I know they can't see me

Flow  
Oh my Gosh  
Where man go  
Oh my Gosh  
If a man see me  
Oh my Gosh

I guess you never know  
What you got till it's  
Uh, uh  
Gone

Flow  
Oh my Gosh  
Where man go  
Oh my Gosh  
If a man see me  
Oh my Gosh

I guess you never know  
What you got till it's  
Uh, uh
