

# Always

Sandie Shaw

I'll be loving you, always (Always)  
With a love that's true, always (Always)  
When the things you planned need a helping hand  
I will understand always, always

Days may not be fair, always (Always)  
That's when I'll be there, always (Always)  
Not for just an hour, no, not for just a day  
Not for just a year, but always

(I'll be loving you) Always

(Always with a love that's true) Always (Always)  
When the things you planned need a helping hand  
I will understand, always, always

Days may not be fair, always (Always)  
That's when I'll be there, always (Always)  
Not for just an hour, no, not even for a day  
And not for just a year, but always (Always)
