

I'll Stop At Nothing

Sandie Shaw

(I'll stop at nothing, I won't stop)
(I'll stop at nothing, I won't stop)

See that boy who just walked by
Well he's the one my heart's set on
For me he is the only one I need

Him I choose (I'll stop at nothing)
I'll not loose (I don't care what they say)

Because I'll stop at nothing until I get the boy I love
(I won't stop)
I'll stop at nothing until I get the boy I love (I
won't stop)

You don't know how hard I've tried to get him onto me
I've tried hard, as hard can be
And one day, hey, he'll be mine (I'll stop at nothing)
All of the time (I don't care what they say)

Because I'll stop at nothing until I get the boy I love
(I won't stop)
I'll stop at nothing until I get the boy I love (I
won't stop)

I won't give up trying
Until his heart is mine
Even though it may take quite a while
And in the end I'm sure everything will be fine
That's why when he says no I just smile
(I'll stop at nothing, I won't stop)
(I'll stop at nothing, I won't stop)

He is all the world to me
I need his love so badly
I'm in love so madly
And one day, hey, he'll be mine (I'll stop at nothing)
All of the time (I don't care what they say)

Because I'll stop at nothing until I get the boy I love
(I won't stop)
I'll stop at nothing until I get the boy I love (I
won't stop)
