

Long Live Love

Sandie Shaw

Venus must have heard my plea
She has sent someone along for me

I have waited a long, long time
For somebody to call mine
And at last, he's come along
Baby, oh nothing can go wrong

We meet every night at eight
And I don't get home 'till late
I say to myself each day
Baby, oh long, long live love
Hmmm...

True love: must be the greatest thing
I know now why singers sing
Of the moon and stars above
How I love to be in love

We meet every night at eight
And I don't get home 'till late
I say to myself each day
Baby, oh long, long live love
Hmmm...

Now of one thing I'm more than sure
Since love come, I don't want more
Than to kiss him every night
Makes everything alright

We meet every night at eight
And I don't get home 'till late
I say to myself each day
Baby, oh long, long live love
Hmmm...

We meet every night at eight
And I don't get home 'till late
I say to myself each day
Baby oh long long live love
Hmmm...

Long, long live love
