

Tell the Boys

Sandie Shaw

Tell the boys, the ones I knew
Tell the boys that now I'm through
From now on, I go with you
All of the time

Tell the boys to keep away
From my door and by the way
Tell the girls that from today
You're all mine

I've been around, I've had a lot of fun
I've been around, but baby now you've come

I'm happy just to stay here with you
I'm young enough to love the way I feel
And old enough to know my love is real
My mind's made up, so here's what you do

Tell the boys, the ones I knew
Tell the boys that now I'm through
From now on, I go with you
All of the time

Tell the boys to keep away
From my door and by the way
Tell the girls that from today
You're all mine

It's funny how the things I used to do
Don't matter now 'cause when I look at you
There's nothing more that I want to see
It's gonna be the way I knew it would
For you and me it's gonna be so good
As good as any lifetime can be

Tell the boys, the ones I knew
Tell the boys that now I'm through
From now on, I go with you
All of the time

Tell the boys to keep away
From my door and by the way
Tell the girls that from today
You're all mine

Shalala lalalala...
Shalala lalalala...
Shalala lalalala...
Shalalala shalalala...

Shalala lalalala...
Shalala lalalala...
Tell the boys to keep away
Now you're mine
