Sandie Shaw

When I come home, and there's no one around My thoughts go back
to you I hear your voice roll in like a sound So I try not to
think I just do Do you also think sometime about me? Oh do you
think sometime about me? Say you do Oh please, please do Someti
me your sound for no reason at all Reminds me how it was Times
we have had on the path to recall Time we've had and I lost Do
you also think sometime about me? Oh do you think sometime abou
t me? Say you do Oh please, please do
