

## Words

Sandie Shaw

Smile, an everlasting smile  
A smile can bring you near to me  
Don't ever let me find you gone  
Cause that would bring a tear to me

This world has lost its glory  
Lets start a brand new story  
Now my love

You think that I don't even mean  
A single word I say...  
It's only words  
And words are all I have  
To take your heart away

Talk, in everlasting words  
And dedicate them all, to me  
And I will give you all my life  
I'm here if you should call to me

You think that I don't even mean  
A single word I say...  
It's only words  
And words are all I have  
To take your heart away
